

Year 10

Chemistry: Areas for Development

Revision Resources

1	Unit 2: Structure and bonding – properties of ionic structures https://www.youtube.com/watch?v=kShflsvWbQ
2	Unit 3: Quantitative chemistry: All calculations https://www.freesciencelessons.co.uk/gcse-chemistry-paper-1/quantitative-chemistry/
3	Unit 4: Chemical changes: Acids and alkali's/ reacting acids/ three reactions of acids https://www.freesciencelessons.co.uk/gcse-chemistry-paper-1/chemical-changes/

Kindness, Integrity and Tenacity
